

# TG 100 Rack Mount Kit

Order # 706.191

Supplied without receiver

## FEATURES

- Rack mount, 19", 1 U
- For mounting a maximum of 3 TG 100R receivers
- Incl. blank panels and screws
- Overall dimensions (W x H x D) 482.6 x 43.6 x 155 mm

## APPLICATIONS

The TG 100 rack mount kit (one height unit) is used to install a maximum of three TG 100R receivers next to each other in a 19" rack. If only one or two receivers are used, the free areas can be equipped with the supplied blank panels.

The delivery includes screws to attach the blank panels (four black countersunk screws) and for mounting the receivers in the rack mount (twelve silver countersunk screws).

The delivery does not include screws to install the rack mount in a 19" rack.

## SUPPLIED ACCESSORIES

Blank panels

4 x black countersunk screws, ISO 1451 M3 x 5

12 x silver countersunk screws, DIN 7500-M M3 x 5
